

The advantages of travelling by public transport

- **Lower annual costs:** save money on fuel, parking and vehicle maintenance and purchase an annual ticket.
- **Environmentally friendly:** using public transport reduces carbon emissions and helps preserve nature.
- **Reliable and stress-free:** bus timetables are reliable, during the journey you can read or sit back and enjoy the views without having to worry about finding somewhere to park.

How to start using public transport

1. The map of the municipality shows the bus stops; the latest timetable can be found at: www.nomago.si/en/timetable; during July and August make use of the 'Bicikel bus' and the 'Hop On – Hop Off' bus in the area of the Kamnik-Savinja Alps.
2. Bus tickets should be purchased from the driver on the bus.
3. And let's go!

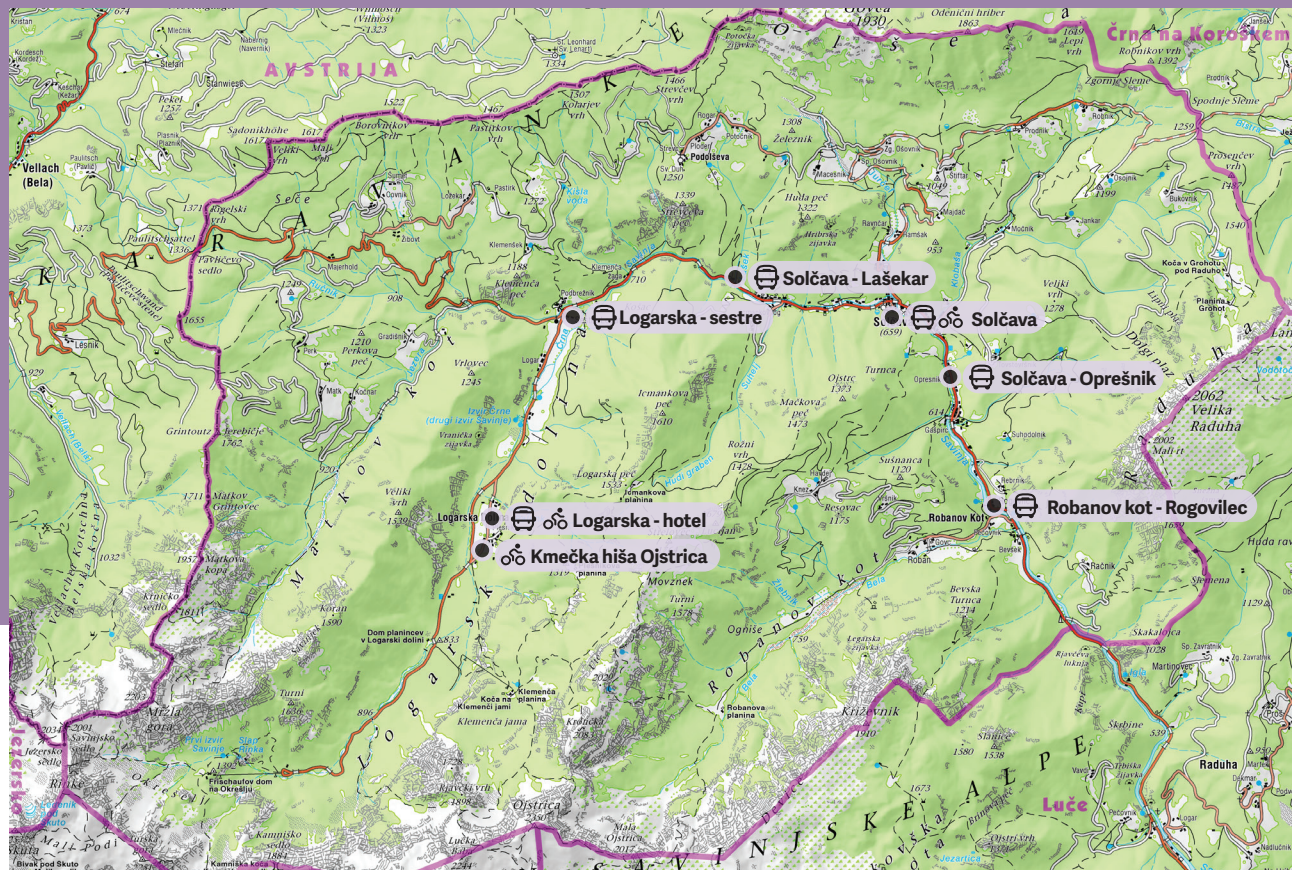

You can also travel around the Solčava area by bike or e-bike, which is an opportunity to:

- spend time outdoors in nature
- be environmentally friendly, as it does not pollute the environment and helps reduce traffic on the roads
