Timetables in the Alps

Trajnostna mobilnost je naša prihodnost

Ohranimo Alpe za prihodnje generacije!

Alpe so zaradi naraščajoče prometne obremenitve pod vedno večjim pritiskom, zmanjšanje te obremenitve pa je ključno za ohranjanje alpskega okolja in kakovostnega življenjskega prostora tako za ljudi kot tudi za ekosisteme. Aprila letos so ministri alpskih držav na XV. Alpski konferenci potrdili sistem ciljev za uresničitev vizije podnebno nevtralnih in podnebno odpornih Alp do leta 2050. Eden izmed teh ciljev je tudi zmanjšanje odvisnosti od osebnih avtomobilov.

Proti podnebnim spremembam se moramo boriti na vseh ravneh, od mednarodnih organizacij in posameznih držav do lokalnih skupnosti in individualnega vedenja vsakega izmed nas. Ravno izbira avtomobila kot glavnega prevoznega sredstva je ena izmed navad, ki najbolj prispevajo k ogljičnemu odtisu posameznika. Če se namesto tega raje odločimo za javni prevoz, lahko svoj lasten ogljični odtis občutno zmanjšamo, hkrati pa se sprostimo, spoznavamo nove ljudi in uživamo v pokrajinah, ki nam jih ponujajo Alpe!

CIPRA Slovenija že 11. leto zapored izdaja knjižico, ki vsem obiskovalcem slovenskih Alp in bližnje okolice olajša načrtovanje potovanja z najrazličnejšimi načini javnega in trajnostnega prevoza. Z njeno pomočjo lahko na trajnosten način uživamo v izjemni naravni in kulturni dediščini Alp in prispevamo k njenemu ohranjanju tudi za prihodnje generacije!

Veleposlanik Markus Reiterer
Generalni sekretar Alpske konvencije

Sustainable mobility is our future

Preserve the Alps for the future generations!

The burden of the growing transport in the Alps is increasing every year; reducing this burden is crucial for the preservation of the alpine environment and quality living spaces for people as well as ecosystems. In April this year, the XV Alpine Conference, consisting of the ministers of the Alpine countries, has adopted a system of targets to achieve the vision of climate-neutral and climate-resilient Alps by 2050; one of these targets is also the reduction of car-dependency.

Climate change has to be fought on all levels – from the international organizations to the single countries, to the local communities up to the individual behaviour of each of us. The choice of a car as a main transportation mode is indeed one of the habits, which has the greatest impact on the individual carbon footprint. If we decide to use public transport instead, we can reduce our carbon footprint significantly and, at the same time, we can relax, meet new people and experience the beautiful landscape the Alps have to offer!

For the 11th year in a row, CIPRA Slovenia is publishing a booklet, which makes it easier for the visitors of the Slovenian Alps and their immediate surroundings to travel using different modes of public and sustainable transport. With the help of this booklet, we can sustainably enjoy the outstanding Alpine natural and cultural heritage and contribute together to its preservation – for the future generations!

Ambassador Markus Reiterer
Secretary General of the Alpine Convention

OGENJ V ALPAH 2019

FIRE IN THE ALPS

10. - 11.8.2019
Vršič/Vršič Pass

Vršič. Foto: Matevž Lenarčič. Arhiv: Turizem Kranjska Gora

Namen dogodka Ogenj v Alpah, ki ga mednarodna nevladna organizacija CIPRA od leta 1986 obeležuje vsako drugo soboto v avgustu, je opozoriti na okoljska in razvojna vprašanja v Alpah. Tako kot so nekoč kresovi na vrhovih pomenili opozorilo pred prihajajočo nevarnostjo, danes so luči z vrhov opozarja na občutljivost alpskega prostora.

Z letošnjo akcijo »Pass it On« opozarjamo na spremembe v gorski pokrajini, na naravno in kulturno dediščinsko bogastvo gorskih prelazov, ki zaradi prometnih obremenitev in izostanka celostnega upravljanja izgubljajo vrednost. Z mladimi iz projekta LivingLabs bomo raziskovali naravno in kulturno dediščino Vršiča, razmišljali o rešitvah prometne problematike ter ustvarjali podobe alpske pokrajine.

The event Fire across the Alps, which the nongovernmental organization CIPRA has held each year since 1986, seeks to highlight a comprehensive manner of addressing environmental and developmental issues in the Alps. Alpine landscapes are increasingly suffering from human impact. Just as bonfires on hilltops once used to serve as a warning method in the case of imminent danger, nowadays the light glowing from hilltops and valleys warns about vulnerability of the Alpine region.

This year's campaign focuses on alpine landscape, specifically on mountain pass Vršič. Richness of nature and culture heritage at mountain passes is often overlooked. With young participants we will explore changes in alpine landscape and pass solutions for traffic pressures and other environmental and landscape threats.

KDORKOLI LAHKO SODELUJE

S simboličnim prižigom sveče, svetilke ali bakle lahko tudi vi podprete letošnjo akcijo, s katero opozarjamo na spremembe v alpski pokrajini. Fotografijo vašega »ognja« nam pošljite na slovenija@cipra.org ali ga objavite na družbenih omrežjih z označbo **#OgenjvAlpah**. Vabljeni tudi na sam dogodek; za več informacij obiščite našo spletno stran: www.cipra.org/sl.

ANYONE CAN PARTICIPATE

By symbolically lighting »a fire« on Slovenian hill or mountain top (using a candle, headlamp, camera flash ...) you can support this year's campaign and share its message. Please send us a photo of your »fire« to slovenija@cipra.org or post it on social media with hashtags **#OgenjvAlpah #FireintheAlps**.

You can also join us in the event, for more info please visit: www.cipra.org/sl.

Prižigali smo ogenj! uparjajo za gorstvo jezera. Foto: Domen Mirkič, Doberinc
